

# SETTING UP THE APPLICATION ENVIRONMENT

## Create IBM Cloud Account

Date	15 OCTOBER 2022
Team ID	PNT2022TMID01394
Project Name	Inventory Management System for Retailers

Create IBM cloud account:

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Shafinian Aro A's Acco...). Below this, the main dashboard area is titled 'Dashboard' and includes a 'Create resource' button. The 'For you' section features several service tiles: 'Build' (a large blue tile), 'Use Speech to Text' (labeled 'Popular' and '2 min'), 'Create an OpenShift cluster' (labeled 'Getting started' and '20 min'), 'Build a data lake' (labeled 'Recommended' and '1 hr'), and 'Use Streaming Analytics' (labeled 'Recommended' and '2 min'). At the bottom, there's a 'User access' section with tabs for 'Manage users', 'News' (selected), and 'Planned maintenance', each with a 'View all' link. The Windows taskbar at the very bottom shows the search bar, task view, and several open applications including Chrome, WhatsApp, and Edge, along with system status icons and the date/time (01:19 PM, 13-11-2022).
