

# SETTING UP THE APPLICATION ENVIRONMENT

## Create An Account In Sendgrid

Date	11November 2022
Team ID	PNT2022TMID01394
Project Name	Inventory Management System For Retailer

### Create An Account In Sendgrid:

The screenshot shows the SendGrid dashboard in a web browser. The browser's address bar displays the URL `app.sendgrid.com/guide?from=profile&integrate=true`. The dashboard features a left-hand navigation menu with options like 'Dashboard', 'Email API', 'Marketing', 'Design Library', 'Stats', 'Activity', 'Suppressions', and 'Settings'. The main content area is titled 'Welcome, SNEHA!' and includes a blue banner that reads 'Send your first emails with Twilio SendGrid'. Below this, the 'Create a sender identity' section is visible, explaining that a sender identity is the 'from' email address. It offers two methods: 'Create a Single Sender' (highlighted with a blue button) and 'Authenticate a domain instead'. An illustration of two people running is positioned to the right of the text. The browser's taskbar at the bottom shows various application icons and the system clock indicating 20:13 on 13-11-2022.
