| Project Name | Inventory Management System for Retailers |

Create IBM cloud account:

The screenshot shows the IBM Cloud Dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'SWATHYSHREE P's Acc...'. The main content area is titled 'Dashboard' and features a 'For you' section with several cards: 'Build' (purple), 'Explore IBM Cloud Shell' (2 min), 'Get Started with the CLI' (10 min), 'Get Started with Watson Studio' (2 hr), 'Set up your IBM Cloud account' (10 min), and 'Get started with IBM Cloud'. Below this, there are sections for 'User access' (Manage users), 'News' (WebSphere Application Server Support Restatement), and 'Planned maintenance'. The bottom of the image shows a Windows taskbar with various application icons and a system tray indicating the time as 9:11 AM on 11/13/2022.
